Twirli

Forsix Design

The Twirli collection embodies the perfect balance of fine materials and sophisticated design. The table feature leather-covered base, which add a touch of tactile refinement, and screen-printed glass top, offering overall lightness and brightness. Designed for exclusive hospitality environments, Twirli combines aesthetics and functionality, turning any space into a timeless design experience.
La collezione Twirli incarna l'equilibrio perfetto tra materiali pregiati e design sofisticato. Il tavolo si distingue per la base rivestita in pelle, che aggiunge un tocco di raffinatezza tattile, e il piano in vetro serigrafato, che dona leggerezza e luminosità all'insieme. Pensato per ambienti esclusivi dell'hospitality, Twirli combina estetica e funzionalità, trasformando ogni spazio in un'esperienza di design senza tempo.
