Panky Seating System

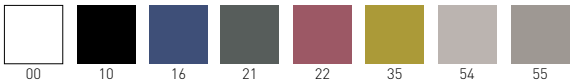

Panky is the modular and customisable seating system for furnishing waiting and reception areas, based on the 2027 trestle frame that allows it to be combined with operational office furnishings. The creation of a Panky configuration entails 3 simple steps, shown hereafter: choose the frame, available in 3 lengths; compose the sofa with cushions, cushions with back and/or armrest, tops; and finally join up the composition with 45° or 90° connections, whether composed of service tops or cushions.

Panky è il sistema di sedute modulare e personalizzabile per arredare gli spazi dedicati all'attesa e all'accoglienza, basato sulla struttura a cavalletto 2027 che consente l'abbinamento con gli arredi operativi dell'ufficio. La creazione di una configurazione si svolge in 3 semplici step, riportati di seguito: scegliere la struttura, disponibile in 3 lunghezze; comporre il divano con cuscini, cuscini con schienale e/o bracciolo, piani; ed infine collegare la composizione con connessioni a 45° o 90°, siano esse realizzate con piani di servizio o cuscini.
