Juniper 3

Forsix Design

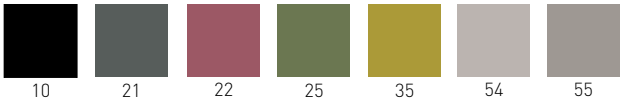

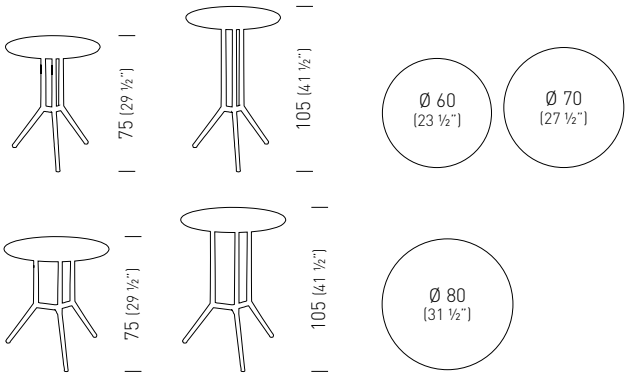

The Juniper table collection combines solidity and contemporary design. The steel top is combined with a techno-polymer base, available in different colours, guaranteeing strength and versatility. The 3- or 4-spoke base, with adjustable feet, ensures perfect stability and is suitable for round or square tops, making Juniper the ideal solution for indoor and outdoor settings with a dynamic and elegant character.

La collezione di tavoli Juniper coniuga solidità e design contemporaneo. Il top in acciaio si abbina a una base in tecnopolimero, disponibile in diverse cromie, garantendo resistenza e versatilità. Il basamento a 3 o 4 razze, con piedini regolabili, assicura perfetta stabilità ed è adatto a piani rotondi o quadrati, rendendo Juniper la soluzione ideale per contesti indoor e outdoor dal carattere dinamico ed elegante.
