# Lol Poliweave

Forsix Design

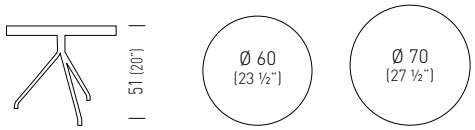

**The Lol Poliweave table collection is ideal for outdoor use: its design adapts stylishly to any indoor or outdoor furnishing context. The 3-spoke base is made of epoxy powder-coated steel with an outdoor treatment and a matte finish; the frame is paired with a technopolymer top, embellished with a refined herringbone pattern, lending elegance and distinctive character.**
La collezione di tavoli Lol Poliweave, è ideale per l'utilizzo all'aria aperta: il suo design si adatta con stile ad ogni contesto d'arredo interno o esterno. Il basamento a 3 razze è costituito da una struttura in acciaio verniciata a polveri epossidiche con trattamento per esterno, dalla finitura opaca; la struttura è abbinata ad un piano in tecnopolimero, impreziosito da un raffinato motivo a spina di pesce, che dona eleganza e carattere distintivo.
