Brut

Forsix Design

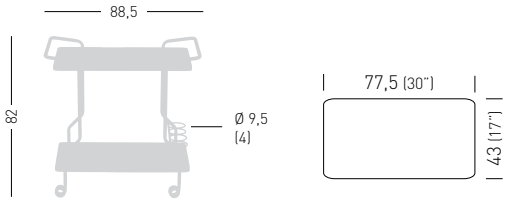

The Brut service trolley with its painted metal frame and two removable compactop surfaces, stands out for its strength and sophistication. Perfect as a bottle holder or side service table, it is equipped with practical castors suitable for delicate surfaces, that make it easy to move, adapting to any context with style and practicality.
Il carrello portavivande Brut con telaio in metallo verniciato e formato da due ripiani removibili in compactop, si distingue per resistenza e raffinatezza. Perfetto come portabottiglie o tavolino di appoggio, è dotato di pratiche ruote adatte anche a superfici delicate, che ne facilitano lo spostamento, adattandosi a qualsiasi contesto con stile e praticità.
